

USCIRF Documentation

UNITED STATES
COMMISSION ON
INTERNATIONAL RELIGIOUS
FREEDOM

The USCIRF is developing a list of individual victims who have been detained, arrested, disappeared, and otherwise abused and harassed due to their religious beliefs. An intake form to submit victims information is also available.

Campaign for Uyghurs encourages all Uyghurs to submit information about their missing/imprisoned colleagues, relatives, friends, and other contacts. The information can be kept confidential and is vital for pursuing continued action to end the Chinese government's crimes against humanity.
